Issue Date
May 7, 2025

No. 2025002EN

Product Discontinuation

Programmable Controllers

C200PC-PD024

Recommended Replacement

No recommended replacement

(This is a maintenance item, Power Supply Unit, for the C200PC main unit, which was discontinued in March 2017 and for which repairs will no longer be available in March 2024. There are no recommended replacement products.)

[Final order entry date/ Date of The Last Shipping/ Scheduled date of maintenance close]

The end of February, 2025

[Reasons for product discontinuation and apologies]

Production of the C200PC main unit ended in March 2017, and repair support will end in March 2024. This product has continued to be sold as a maintenance item, Power Supply Unit, for the main unit, but due to a lack of sales record for several years and the end of production of the components, we will also be discontinuing production of this maintenance item.

We should have informed you of the end of production of this maintenance item at the same time as the end of maintenance for the main unit, and we apologize for the late notice.

[Product Discontinuation and recommended replacement]

| Product discontinuation | Recommended replacement |
|-------------------------|----------------------------|
| C200PC-PD024 | No recommended replacement |
